

Winter League Agreement

1. CYSA Member passes are mandatory for playing league games and CYSA tournaments. US Club passes have nothing to do with CYSA District 5. ONLY the CYSA passes may be used at CYSA games and events.
2. Member passes must be kept together with the team binder (which also contains the 1601 forms). The passes and binder should always be under the control of the Coaching staff (players should never be given their passes to bring to the games).
3. There are no schedule changes allowed without the prior approval of the D3 Coordinator (Debby Bauman for Summer/Winter League). Forfeited games without adequate advance notice or without just cause will result in a \$500 fine per forfeited game. Fines are due and payable by Wednesday of the week after the missed game. Failure to pay fines will result in the team being denied participation in post season cup play.
4. At least one Credentialed Coach or Assistant Coach must attend all playing league games. Even though the players may be 18 years old, an adult coach is required. Our advice is to have TWO credentialed adults coaching staff members present in case of emergency, since the game can not proceed if one person has to leave during the game and no one else is present with a coach pass. Problems do come up during games - red carded coaches, family emergencies, etc.
5. During this Winter League, the guest player policy will be flexible. Players are eligible to play as guest players with a current CYSA player pass and 1601 form. There is no need to complete a Guest Player form. This applies only to the Winter League and does not include tournaments or CYSA Cup play. This will allow teams to try out players for Cup play or just fill a team for their games. Hopefully this also allows for these very busy age groups to play though they might not all be available all winter.
6. We will do our best to avoid scheduling games during holiday weekends (ski-week, President's Day, etc). Please provide dates for your school holidays.

Remember that CYSA passes and insurance are only valid in CYSA events. US Club events require additional insurance through US Club Soccer.

I understand the above and agree to them as provisions to participate in the Summer/Winter League.
